WBM and IBM Join the Saskatoon Corporate Challenge to Sponsor Talent Show

We are pleased to announce WBM and IBM have joined the 2012 Saskatoon Corporate Challenge and will be sponsoring the Talent Show!

WBM was established in 1950 and has a long history of being a premier IT solutions provider to western Canadian businesses. With a large presence in Saskatoon, WBM provides their clients exceptional service.

IBM is one of the world's largest technology companies with over 425,000 employees worldwide. IBM has a long history of providing excellent technology products and services to Saskatoon businesses. It is only logical that these two leaders in their industries have teamed up to sponsor the 2012 Saskatoon Corporate Challenge Talent Show!
