

Spirit of Giving Lasts All Year : WBM Community Spirit Award

In the season of giving, WBM recognizes the commitment its employs provide to the local community. At the 2012 Christmas party, we honoured those employees who continue to give back to the community all year long.

This year our employees volunteered with large such as Get Active 4 Autism, Shelter Box International Disaster Relief, Patient Family Resource Centre, the Heart Association, Wounded Warriors, World Partnership Walk, Ride to Conquer Cancer, and Movember. Others volunteer as interpreters for the deaf, deliver IT services, coach sports and academic teams, mentor, deliver public speaking addresses, lead Beavers and Sparks troops.

Next Christmas, acknowledge one WBM employee who goes above all others to provide support to those in need. The recipient of the WBM Community Spirit Award will be nominated by their peers throughout the year. Our management team will name one finalist who will have a \$1000 donation given to charity in their name.
